This document serves as official notification from the Florida Department of Highway Safety and Motor Vehicles (FLHSMV) that your driving privilege and/or vehicle registration(s) will be suspended effective **July 23, 2026**, at 12:01 a.m. per section 324.0221, Florida Statutes, because FLHSMV has been informed by PROGRESSIVE SELECT INSURANCE COMPANY that the Florida registered vehicle(s) listed below are no longer insured in Florida. The Florida policy was either canceled, a vehicle was removed from the policy, or you switched insurance companies and the new company failed to notify FLHSMV of your new policy within 10 days as required by law.

Policy Number – 979474705

Company Name – PROGRESSIVE SELECT
INSURANCE COMPANY

VIN	Vehicle Description	FR Sanction Number
3C6LRVDG1NE125604	WINNE	756265783

To possibly avoid suspension or reinstate your driving privileges, you must comply with one of the following:

- If you **still own and intend to operate the vehicle**, you must obtain Florida insurance and request your insurance company electronically report your current coverage to FLHSMV.
- If you **no longer own or intend to operate the vehicle**, you must surrender the license plate(s) and vehicle registration(s) associated with the VIN(s) listed above or show proof you no longer own the vehicle(s).

If you acquire insurance coverage **prior to July 23, 2026**, your record is cleared upon electronic receipt of current coverage and no further action is required. You can also check the status of your record and update your insurance information to avoid suspension by creating an account or logging into your existing account at **MyDMVPortal.flhsmv.gov**.

If you acquire insurance coverage **after July 23, 2026**, you may reinstate using one of the available clearance methods detailed below.

If you did not meet the requirements prior to **July 23, 2026** for the FR Sanction number(s) listed above, you will be required to pay a **150.00** reinstatement fee. Please note that additional fees may be required if you have additional sanctions on your record that require clearance for reinstatement of your driving privileges.

Reinstate Online

Create or log into your existing account at **MyDMVPortal.flhsmv.gov** to select your method of clearance and pay any applicable reinstatement fee(s). You may update your insurance information or update your record to show you no longer own the vehicle by selecting the "Non-Ownership" option.

If you do not wish to create an account, you may submit your clearance request via **<https://mydmvportal.flhsmv.gov/home/en/publicweb/dlcheck/>** and upload the required documents for reinstatement.

Reinstate by Mail

Mail the attached Clearance Selection form(s) for each VIN with the required documentation and a check or money order payable to Motorist Services to:

Reinstate In-Office

Visit a Florida driver license office or tax collector service center that offers driver license services, present all required documentation, and pay any applicable reinstatement fee(s). An additional **\$6.25** service fee is charged by tax collector offices. For a list of locations, visit **flhsmv.gov/locations**.

Vehicles Owned by Businesses

You must contact your insurance company and request they electronically report the insurance information. Check the status of your vehicle(s) registration at **<https://mydmvportal.flhsmv.gov/home/en/publicweb/dlcheck/>**. If a stop was entered on the record due to an insurance related suspension, that means your insurance company has not reported insurance coverage to FLHSMV.

Active-Duty Military

If you are active-duty military (including a spouse or dependent), and stationed outside Florida, you are exempt from carrying Florida insurance; however, you must provide proof of out-of-state insurance. Please see the attached Clearance Selection form(s) for more information

Former Florida Resident Who Has Moved Out of State

If you have moved out of state and canceled your Florida policy, please see the attached Clearance Selection form(s) for more information.

Questions regarding why your policy was canceled, vehicle was removed, or the policy was not reported should be directed to your insurance company. If your insurance company believes this notice was sent in error, call FLHSMV customer service at 850-617-2000.

This Notice of Suspension dated and filed in the office records of FLHSMV on July 8, 2026, will become a Final Order if you do not comply with the requirements, filed, entered and effective on July 23, 2026. Please note, a request for a hearing does not stop the suspension from going into effect on **July 23, 2026** and does not stop the 30-day timeframe to appeal from the effective date of the Final Order per section 322.31, Florida Statutes. Please visit your account at **MyDMVPortal.flhsmv.gov** or contact 850-617-2080 to request a hearing. A fee is required when scheduling a hearing to contest the suspension.

Check the status of your driving privilege by calling the 24-hour, seven-day-a-week automated phone service at **850-617-3000**, log into your account at **MyDMVPortal.flhsmv.gov**, or by scanning the QR code.
